Forecast For East of England
Issued by Met Office Exeter
at 0400 on Sunday 18 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Generally dry and very warm, locally hot inland.

Today:
A dry, bright and sunny day across the region. Some fair weather cloud developing during the afternoon, most likely staying dry. Generally hot across the region, although cooling quickly in the east from late afternoon with an onshore breeze. Maximum temperature 32 deg C (90 deg F).

Tonight:
Patchy cloud lingering into the evening. Skies clearing overnight, but low cloud hovering around the coasts during the early hours of the morning. Minimum temperature 14 deg C (57 deg F).

Monday:
Staying cloudy near the coasts through the morning. Dry and bright elsewhere, cooler than yesterday particularly in the east. Maximum temperature 26 deg C (79 deg F).

Outlook for Tuesday to Thursday:
Variable amounts of cloud with isolated showers on Tuesday and Wednesday afternoons, most likely dry on Thursday. Very warm, locally hot inland.
